

# NLDP - Project goals:

- Improve communications
  - Clinical Laboratories, Infection Control, ED
- Provide update regarding available expertise
  - New tests
- Provide consultation & training
  - Individual labs needs
- Serve as connection to CDC
  - Bring the knowledge to the “Front Line of Public Health” - the Clinical Laboratory

# NLDP - Phase 2

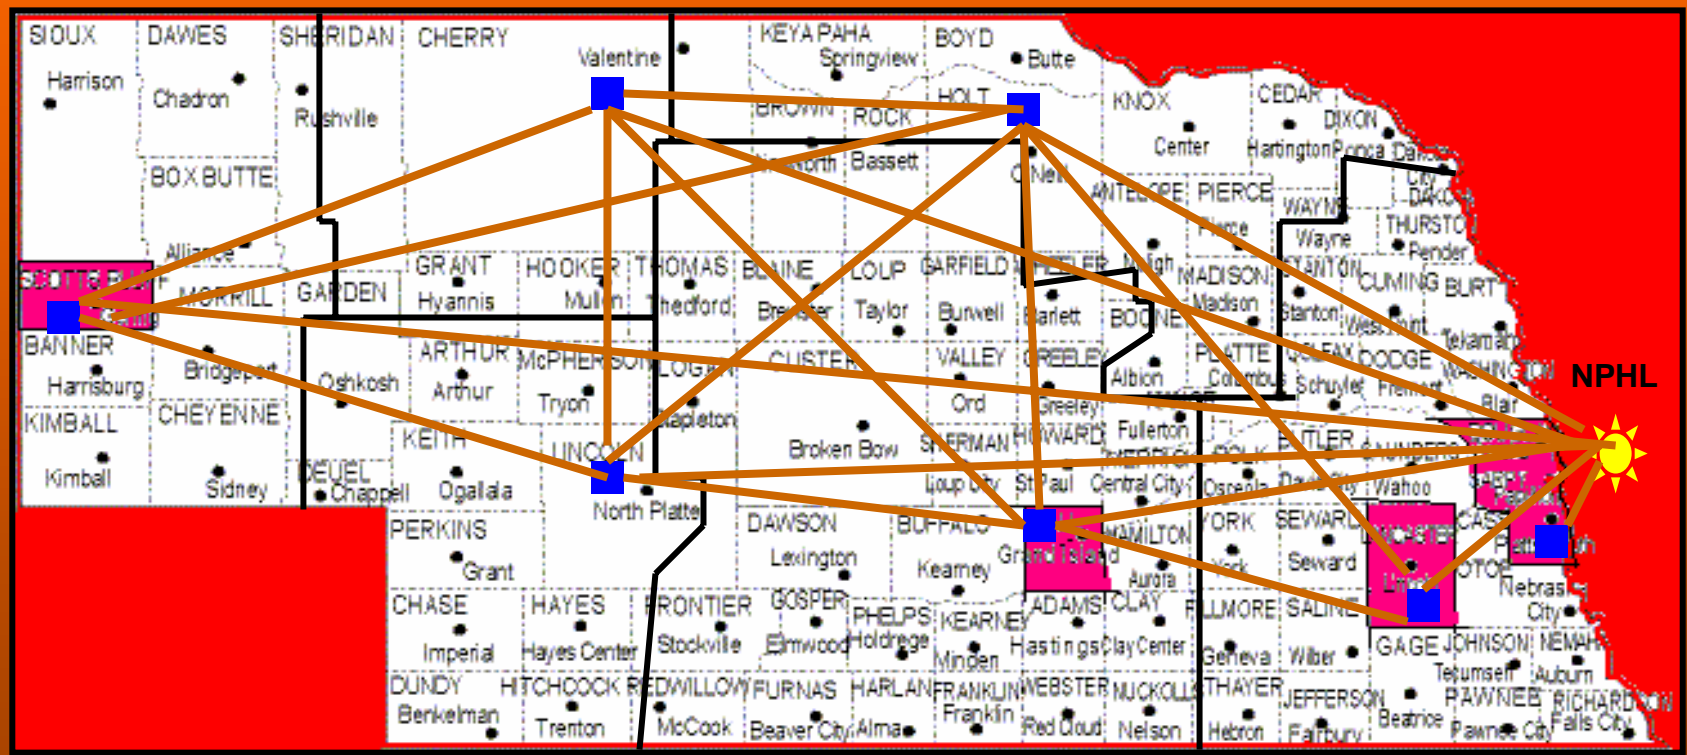

- Establish “Hub” Labs - 6 regional economic centers
- Develop lab “buy-in”
- Develop laboratory notification plans
- Improve communication infrastructure
  - auto-fax, phone, email, computer systems
  - GIS “real-time” screen saver

# Establish Regional “Hub” Labs within 6 commercial centers

Blue- Hub Labs

# Networking of the 6 Regional Hub Labs

Blue- Hub Labs
