Antimicrobial Susceptibility Testing and Reporting for Fastidious or Infrequently Isolated Bacteria
Case Studies
An APHL Training Webinar
March 24, 2015 • 1:00 – 2:00 PM ET
Registration Deadline: March 22, 2015

DESCRIPTION
In this program case studies of infections caused by fastidious or infrequently isolated bacteria will be presented to illustrate the application of current guidelines for susceptibility testing and reporting. Anticipated changes in testing guidelines related to the cases will be discussed.

OBJECTIVES
At the conclusion of the program, the participant will be able to:
• Discuss when susceptibility testing of fastidious or infrequently isolated bacteria is indicated.
• State how to perform and report susceptibility testing for selected genera from this group of organisms.

FACULTY
Sandra S. Richter, MD, Section Head, Microbiology, Cleveland Clinic, Cleveland, OH

AUDIENCE
This advanced-level program is appropriate for laboratory professionals working in clinical and academic settings.

CONTINUING EDUCATION
The Association of Public Health Laboratories (APHL) is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. Participants who successfully complete each program will be awarded 1.0 contact hours. P.A.C.E.® is accepted by all licensure states except Florida. APHL is a Florida approved CE provider; each course has been approved for 1.0 contact hours.

REGISTRATION  REGISTER NOW!
• Registration fee: $115 is per site for one connection to the live program with unlimited attendance (and CEUs) for everyone AND unlimited access (and CEUs) to the archive program for 6 months
• Site facilitator must register online at www.aphl.org/courses/pages/588-907-15.aspx. Having difficulty with the online registration process? Please email registrar@aphl.org or call 240.485.2727 from 8:00 AM to 4:30 PM ET.
• After your facility’s registration is confirmed, the site facilitator will receive all necessary instructions and paperwork via email.
• For program content information, please email webinar@aphl.org.
