Recommendations for the Diagnosis of *Campylobacter* Infections

An APHL Training Webinar

December 3, 2015 • 1:00 – 2:00 PM ET

Registration Deadline: December 1, 2015

**DESCRIPTION**

A collaborative multidisciplinary national committee has been working to develop best practices for the laboratory diagnosis of *Campylobacter* infections by clinical and public health laboratories; a summary of the recommendations from this workgroup will be presented.

**OBJECTIVES**

At the conclusion of the program, the participant will be able to:

- Explain the current culture and culture independent methods used for the laboratory diagnosis of *Campylobacter* infections.

**FACULTY**

Collette Fitzgerald, PhD, Team Lead, National Enteric Reference Laboratories, Enteric Diseases Laboratory Branch, Centers for Disease Control and Prevention, Atlanta, GA

**AUDIENCE**

This basic-intermediate-level program is appropriate for laboratory professionals working in clinical, public health and academic settings.

**CONTINUING EDUCATION**

The Association of Public Health Laboratories (APHL) is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. Participants who successfully complete each program will be awarded 1.0 contact hours. P.A.C.E.® is accepted by all licensure states except Florida. APHL is a Florida and CPH-recertification approved CE provider; each course has been approved for 1.0 contact hours.

**REGISTRATION**  **REGISTER NOW!**

- Registration fee: $115 is per site for one connection to the live program with unlimited attendance (and CEUs) for everyone AND unlimited access (and CEUs) to the archive program for 12 months
- Site facilitator must register online at www.aphl.org/courses/pages/588-931-15.aspx. *Having difficulty with the online registration process? Please email registrar@aphl.org or call 240.485.2727 from 8:00 AM to 4:30 PM ET.*
- After your facility’s registration is confirmed, the site facilitator will receive all necessary instructions and paperwork via email.
- For program content information, please email webinar@aphl.org.
