Public Health Laboratory Virtual Group Registration

By popular request, APHL offers a discounted virtual group registration program for member public health laboratories (PHLs) and their newborn screening and follow-up programs. Make it a team event and take advantage of savings by registering multiple staff for the virtual version only of the 2022 APHL/ISNS NBS Symposium being held October 15-19, 2023 in Sacramento, CA.

This program is for member PHLs and NBS/follow-up programs only. It only offers access to the virtual platform and is offered in three levels. If you attending in-person in Sacramento, you need to register and pay the regular early or late registration fee.
