

**Save the Date!**

June 8-11, 2020 | Portland, OR

**APHL<sup>®</sup> 2020**

Where Laboratory Science and Public Health Meet

**Join us** at APHL 2020, a 4-day conference that addresses public health laboratory issues, trends and technologies relative to emerging infectious diseases, environmental health, emergency preparedness, informatics, food safety, newborn screening, global health and more.

### **Why Attend?**

- Learn more about contemporary issues in laboratory science
- Network with partners and friends
- Explore new ways to manage your laboratory
- Contribute to discussions on pressing topics
- Visit 60+ exhibitors to see the latest in laboratory technology, supplies and services
