Surviving IQCP Pre- and Post-CAP Inspection
An APHL Training Webinar
January 31, 2017 • 1:00–2:00 pm ET
Registration Deadline: January 29, 2017

DESCRIPTION
If you have instituted IQCP in the last year, this program is for you, no matter who inspects your lab!

On January 1, 2016, CLIA and CMS regulations were revised to include the Individualized Quality Control Plan (IQCP) that provides an alternative method for performing quality control in the clinical laboratory. In light of this change, the CAP checklist now contains five Phase II elements that cover IQCP document preparation and review. This presentation will summarize the key elements examined by CAP inspectors during IQCP review, and will highlight the typical CAP citations associated with IQCP during 2016.

OBJECTIVES
At the conclusion of the program, the participant will be able to:

• Describe the key elements examined by CAP inspectors during IQCP review
• Outline the typical citations associated with IQCP during a CAP inspection

FACULTY
Anna F. Lau, PhD, D(ABMM), Co-Director Bacteriology, Parasitology, & Molecular Epidemiology Clinical Center, National Institutes of Health, Bethesda, MD

AUDIENCE
This intermediate-level program is appropriate for laboratory professionals working in clinical, public health and academic settings.

CONTINUING EDUCATION
The Association of Public Health Laboratories (APHL) is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. Participants who successfully complete each program will be awarded 1.0 contact hours. P.A.C.E.® is accepted by all licensure states except Florida. APHL is a Florida and CPH-recertification approved CE provider; each course has been approved for 1.0 contact hours.

REGISTRATION — REGISTER NOW!
New low price!

• Registration fee: $99 is per site for one connection to the live program with unlimited attendance (and CEUs) for everyone AND unlimited access (and CEUs) to the archive program for one year
• Site facilitator must register online at www.aphl.org/588-901-17. Having difficulty with the online registration process? Please email registrar@aphl.org or call 240.485.2727 from 8:00 am to 4:30 pm ET.
• After your facility’s registration is confirmed, the site facilitator will receive all necessary instructions and paperwork via email.
• For program content information, please email webinar@aphl.org.

The Association of Public Health Laboratories (APHL) sponsors educational programs on critical issues in laboratory science.
