Fun with Fungi:
Cases in Medical Mycology
An APHL Training Webinar
March 28, 2017 • 1:00–2:00 pm ET
Registration Deadline: March 26, 2017

DESCRIPTION
Everyone loves a mycology mystery!
This program will focus on laboratory diagnosis of fungal diseases. Clinical cases with unusual and/or challenging diagnostic features will be presented. Potential impact of the laboratory findings on patient care will be discussed.

OBJECTIVES
At the conclusion of the program, the participant will be able to:
• Demonstrate laboratory approaches to classify and identify medically important fungi

FACULTY
Sean Zhang, MD, PhD, D(ABMM), Associate Professor of Pathology, Division of Medical Microbiology, Department of Pathology, Johns Hopkins School of Medicine, Director, Mycology Laboratory, Johns Hopkins Hospital, Baltimore, MD

AUDIENCE
This intermediate-advanced level program is appropriate for laboratory professionals working in clinical, public health and academic settings.

CONTINUING EDUCATION
The Association of Public Health Laboratories (APHL) is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. Participants who successfully complete each program will be awarded 1.0 contact hours. P.A.C.E.® is accepted by all licensure states except Florida. APHL is a Florida and CPH-recertification approved CE provider; each course has been approved for 1.0 contact hours.
