2017 Influenza Update
An APHL Training Webinar
October 17, 2017 • 1:00–2:00 pm ET
Registration Deadline: October 15, 2017

DESCRIPTION
Flu seasons are unpredictable in a number of ways. What will happen in the 2017 - 2018 influenza season? This program will provide an overview of influenza and available diagnostic methods. The significance of influenza as a public health issue, expectations for the upcoming season and the status of novel influenza strains in the world will also be described.

OBJECTIVES
At the conclusion of the program, the participant will be able to:
• Describe the current status of seasonal influenza and novel influenza viruses
• Discuss the advantages and disadvantages of available methods for diagnosis of influenza

FACULTY
Peter A. Shult, PhD, Director, Communicable Disease Division and Emergency Laboratory Response, Wisconsin State Laboratory of Hygiene, Madison, WI
TBA

AUDIENCE
This intermediate-level program is appropriate for laboratory professionals working in clinical, public health and academic settings.

CONTINUING EDUCATION
The Association of Public Health Laboratories (APHL) is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. Participants who successfully complete each program will be awarded 1.0 contact hours. P.A.C.E.® is accepted by all licensure states except Florida. APHL is a Florida and CPH-recertification approved CE provider; each course has been approved for 1.0 contact hours.
