

# APHL-CDC Environmental Health Laboratory Fellowship

## Step Into Your Role in Environmental Health!

The Association of Public Health Laboratories (APHL)—US Centers for Disease Control and Prevention (CDC) Environmental Health Laboratory Fellowship is an exciting opportunity for post-bachelors, -masters and -doctoral scientists to apply their skills in an environmental health setting. This one- to two-year program prepares fellows for careers in public health and environmental laboratories and helps support critical public health initiatives related to environmental health.

The Environmental Health Laboratory Fellowship Program trains and prepares scientists for careers in public health laboratories and supports public health initiatives related to environmental health such as; biomonitoring, biosurveillance, environmental monitoring, radiochemistry and or wastewater surveillance. The fellowship's mission is to provide a high quality training experience for the fellow while providing workforce capacity to the public health laboratory community.

**Feb. 28  
2022!**

### What are public health laboratories?

Public health laboratories are highly specialized public-sector laboratories that monitor and detect a range of health threats, such as genetic disorders in newborns, infectious diseases, environmental hazards and biological terrorist agents and more.

### What will my fellowship look like?

Fellowships run one to two years and have flexible summer start dates. Each fellow is trained in nine public health laboratory core competencies in addition to their specialized disease-specific track, and works on unique program-specific projects.

### What are the program benefits?

- Competitive stipend
- Health insurance allowance
- Relocation reimbursement
- Professional development fund
- APHL student membership
- Build a professional network

### What do I need to apply?

- All applications will need:
- Undergraduate and/or graduate transcripts
  - Three (3) letters of recommendation
  - Resume/CV
  - Personal narrative
  - Proof of US citizenship or permanent residency
