*This benefit does not apply to Member-Associates of these member institutions.
ON YOUR BEHALF

APHL represents scientific professionals like yourself, working on your behalf to influence policy and progress in your field.

ADVOCACY
Your voice is united with other laboratorians working for the public’s health, as APHL speaks out on your behalf. APHL's public policy campaigns have resulted in new laboratory workforce and education funding opportunities. APHL also publishes issue briefs to educate legislators at all levels about critical public health threats and the laboratory’s role in detection, monitoring and resolution.

TECHNICAL ASSISTANCE
APHL offers survey data, technical documents and subject-specific meetings. Additionally, APHL provides member labs with technical assistance for laboratory information management systems and interoperability.

CONNECTION
APHL is a major hub of information delivery to laboratories from key federal agencies like the Centers for Disease Control and Prevention (CDC), Environmental Protection Agency (EPA), the Food and Drug Administration (FDA) and US Department of Agriculture (USDA). Email alerts will advise you of critical information, while a weekly e-Update newsbrief summarizes APHL's activities on your behalf.

ADVANCEMENT
APHL provides numerous leadership education and training opportunities, including the Emerging Leader Program. In addition, APHL offers a multitude of opportunities to serve on committees and workgroups.

EDUCATION
APHL members enjoy discounted registration to APHL’s Annual Conference, the only event dedicated to laboratory work in the interest of public health. APHL offers complementary and affordable training with CEUs available in a variety of formats, especially for our members.

EMERGENCY OPERATIONS
APHL is your “Crisis Central,” providing updated algorithms, emergency training, recall advisories, call-in events and email alerts during outbreaks and public health events. APHL stays connected to the CDC, the FDA, the Department of Homeland Security, the Federal Bureau of Investigation and the EPA, so you receive clear information as soon as possible.

RECOGNITION
APHL recognizes the work that you do. Each year, your colleagues can nominate you for one of several awards for excellence. You’ll also have many opportunities to present posters, papers and best practices to your peers and other public health professionals at APHL conferences.

INFLUENCE
APHL provides the means for laboratorians to shape policy, planning and technology. APHL members learn of new technology in development and have opportunities to contribute their expert understanding of issues and requirements, ensuring that tools of the future function both efficiently and effectively.

APHL MISSION
Shape national and global health outcomes by promoting the value and contributions of public health laboratories and continuously improving the public health laboratory system and practice.

APHL VISION
A healthier world through quality laboratory systems.

Benefits and Services for Environmental Laboratory Members

APHL serves as a focal point for environmental laboratory communication, training, policy and interactions with the federal government. Drive laboratory advancement and join APHL today!

Here is some of what we can do for you:

- Provide a place to gather with colleagues from other environmental laboratories to share ideas, collaborate and connect to federal agencies such as USEPA and CDC’s National Center for Environmental Health.
- Present opportunities to shape policies, laws, regulations and activities at the national level.
- Offer educational and training events, often at member-discounted prices. Topics include laboratory safety, quality assurance, ethics, workforce development, lab equipment and more.
- Identify venues for you to share your expertise, such as at educational workshops and conferences.
- Respond to your needs, through committees, workgroups and online communities, such as the Environmental Laboratory Sciences Committee, the Environmental Health Committee, the National Biomonitoring Network and the Government Environmental Laboratory Online Community.
- Keep you updated with regular communication during large-scale events such as the Gulf Coast Oil Spill and Fukushima.
- Provide a wealth of information through the Member Resource Center and the Survey Resource Center.
- Apprise members of the latest in laboratory developments such as methodology issues and potential funding opportunities like small grants and applied research through newsletters, magazines, blogs, tweets and more.
- Enhance recruitment efforts by posting job openings on our online Job Center. (Members receive a 40% discount on 45-day job postings.)
- Offer workforce support through the APHL/CDC Environmental Health Fellowship.

For more information about a Public Health Associate Institutional Membership, contact Drew Gaskins at membership@aphl.org or 240.485.2733.

Please list the contact information for your laboratory’s member-associates below.

Member-associates are those laboratory staff chosen by the Laboratory Director to receive member benefits. Member-associates may not vote but have the right to hold appointed (but not elected) office (e.g., committee chair, liaison, task force), to serve on committees, and to speak from the floor of a general member meeting. The amount of complimentary Member-Associate positions that your laboratory receives can be found in the dues section on the previous page. The Laboratory Director may appoint additional member-associates for $125 each.
