

Fall 2022 LRN-C Biannual Technical Meeting: Partnerships and Collaboration

October 18-20, 2022

Location | East Lansing, Michigan

Co-sponsored by APHL, the Michigan Department of Health and Human Services - Bureau of Laboratories and the US Centers for Disease Control and Prevention (CDC).

COURSE # 100-724-22

REGISTER

Registration Closes: **October 11, 2022 | 11:59 pm ET**

Pre-registration via the link above is required to participate in the meeting. Upon registration/acceptance, a confirmation letter with more detailed meeting information will be sent by email. If you need assistance with registration, please [email](#) or call 240.485.3843.

DESCRIPTION

This meeting will explore national LRN-C program updates, response stories, and state and local LRN-C program presentations. An offsite tour of the National Superconducting Cyclotron Laboratory and the Michigan Department of Health and Human Services Bureau of Laboratories mobile clinic will be offered on Thursday, October 20.

AUDIENCE

This meeting is intended for LRN-C laboratory scientists and LRN-C partner agency scientists.

REGISTRATION

There is no fee to register.

Registration closes **October 11, 2022**.

Registration is limited to 125 participants. Pre-registration is required to participate in this meeting. Registration for the tour of the National Superconducting Cyclotron Laboratory at the Facility for Rare Isotope Beams is required at time of registration and is limited to the first 50 interested registrants (checkbox on registration form online).

REGISTRATION ACCESSIBILITY

In compliance with the Americans with Disabilities Act, individuals seeking special accommodations must email a written request to Jennifer Liebreich (Jennifer.Liebreich@aphl.org) at least three weeks prior to the meeting's start date.

By registering for this event, you are consenting to have your information shared with APHL event stakeholders, such as the Centers for Disease Control and Prevention and Public Health Labs. We will not, in any circumstances, share your information with other individuals or organizations without your permission, including corporations or individuals, except when applicable by law. We do not sell, communicate or divulge your information to any mailing lists.

This meeting was supported by Cooperative Agreement #NU600E000104 from the US Centers for Disease Control and Prevention (CDC). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC or the Department of Health and Human Services, or APHL and member laboratories. This project is 100% funded with federal funds.

The [Association of Public Health Laboratories \(APHL\)](#) sponsors educational programs on critical issues in laboratory science.
